**Toronto, February 21, 2017:** Hotel X Toronto President Henry Kallan today announced that respected Toronto entertainment and hospitality group byPeterandPauls.com will be operating two restaurants, all event catering, room service and the much-anticipated Peregrine SkyBar at the 404 room Hotel X Toronto, opening in 2017 on the Exhibition Place grounds.

According to Kallan, byPeterandPauls.com was a natural fit for Hotel X Toronto. "At the Library Collection, we are known first and foremost for personalized service to our guests. We found that same dedication to flawless execution in byPeterandPauls.com. This is an award winning Toronto based company with a stellar reputation and years of experience. Most importantly, they understood our desire to create innovative stand-alone restaurants that will give the people of Toronto a new culinary destination right on our waterfront."

Peter Eliopoulos, CEO of byPeterandPauls.com, is enthusiastic about the opportunity afforded by Hotel X Toronto. "We are excited to introduce our guests to a variety of different dining options at the property. *Maxx's*, our all-day dining room located on the south side of the building, will feature terraces with unobstructed views of the lake and an open concept kitchen. *Petros 82* will be a Mediterranean restaurant featuring fresh seafood and natural ingredients. As a Canadian of Greek heritage, it will be a particular pleasure to bring fine Greek dining to this city."

One of the most anticipated elements of the new hotel is the Peregrine SkyBar, destined to become a "must see" for visitors due to its outstanding 30th floor views of Lake Ontario and the cityscape of Toronto. According to Eliopoulos "Peregrine SkyBar will have specialty cocktails created by our mixologist. The atmosphere will be vibrant, urban and lively – just like Toronto."

Hotel X Toronto will also have over 26,000 square feet of meeting space, many of which have views over the water, making the hotel an ideal venue for private celebrations, weddings and meetings. With over 35 years of experience in event management and numerous awards, including *Meeting and Incentive Travel Magazine's* 2016 Best Caterer in Central Canada, [byPeterandPauls.com](http://byPeterandPauls.com) is uniquely qualified to ensure that all events in the hotel are carried out flawlessly. According to Eliopoulos "We have built our reputation over many years of successful events. Hotel X Toronto will open in 2017.
